***HEDIS Advance Notice of Reveleer***

The annual Healthcare Effectiveness Data and Information Set (HEDIS®) reporting period is just around the corner, and I am writing to request your cooperation with our efforts to collect medical record data for our members whom you have treated.

First Choice Next in collaboration with Reveleer will conduct medical record retrieval for the annual medical record review process. Reveleer is trained in medical record retrieval for HEDIS, Centers for Medicare & Medicaid Services (CMS), and state quality reporting programs.

Disclosure and use of the medical records, and the collection of medical records for this purpose, is considered to be treatment, payment, or health care operations under HIPAA regulations (45 C.F.R. 164.502(a)(1)(ii)). As a business associate of AmeriHealth Caritas, Reveleer is required to comply with HIPAA privacy requirements throughout the record retrieval process.

We appreciate your cooperation in working with Reveleer to schedule retrieval of any requested member records. As a reminder, we expect that records are to be provided at no charge to First Choice Next, Reveleer, or the member.

If you have any questions, please reach out to Traci Stahr, Lead HEDIS Data Reviewer of MRR Operations at [tstahr@amerihealthcaritas.com](mailto:tstahr@amerihealthcaritas.com). We greatly appreciate your cooperation and timely assistance with this medical record request.

Sincerely,

Ifunanya Ifezulike, RN MHA  
Director, Quality Management
